

Wanted:

USED MUSICAL INSTRUMENTS

***Your donation will help a student
play a musical instrument!***

Help a student play a musical instrument

Donate your no longer used musical instrument to David Douglas Educational Foundation (DDEF) and it will be used as a loaner instrument that can be played by music students year after year! Of course, we would like musical instruments in good condition; however, we can also accept some “dead” instruments for art projects!

Your donation is tax deductible! To increase your tax-deductible donation, have the instrument serviced or repaired prior to the donation.

Drop off, or we can arrange pick up of your donation:

1. Between 8:00 am and 4:00 p.m., bring your donation to:
David Douglas District Office, Special Projects Office
11300 NE Halsey, Portland, Oregon
2. Or contact Bev Fischer, 503-255-1149 for instrument pickup.

A tax-deductible receipt is available at the office. Just fill it in with your name and address, description of the donated item and an estimated value of the donation. We can sign the receipt and provide you with a copy of the donation.

David Douglas Educational Foundation thanks you!
